Dan – That isn't the phone # that I have on the contact list but it might be the most correct #?? Otherwise, perhaps sending him an email just to cover our bases???

For the record, I called [Citizen Name/Ex. 6] at [Personal Phone/Ex. 6] to notify him that we will be on his property the week of August 3 to sample the [Personal Address/Ex. 6] waste piles. I indicated we will coordinate with him on the exact time when we get to Silverton and invited him to join us.
